Dear Archer Alumni,

As a South Side graduate, I'm sure you understand the value of our Alma Mater's tradition of academic excellence. The South Side Alumni Association exists to help students and teachers with services and programs that do not typically receive school tax dollar support. Without your membership dues, the Alumni Association cannot help fund these extra activities that make our school so special. Some examples of programs we have assisted in the past include:

- The International Baccalaureate Program
- The Fine and Performing Arts Programs
- The Yearbook Program for the Centennial Year edition
- The Math Department
- And scholarship donations to the South Side High School Foundation General Endowment Fund

The South Side High School Alumni Association (a 501c3 charitable organization) is the only official SSHS alumni group. Other organizations may say they are related to the school but most are for-profit organizations that are not affiliated with South Side in any way.

Please contact Karlene Fial at the South Side Alumni Association Office (260-456-4470 or sshsarchers@gmail.com) with any questions and/or updates to your contact information. She can also help you with your class reunion planning and mailings. As an alumni association member you will receive our Archer Arrows newsletter three times a year. I hope that we can count on your support for our organization this year.

Blair Phillips, Class of 1997
